PERSONAL INFORMATION

- **Date Of Birth:** 2003-May-10
- **Gender:** Male
- **Nationality:** Syrian
- **Portfolio:** <https://moonesmezher.com>
- **LinkedIn:** <https://www.linkedin.com/in/moones-mezher-96b5352a9>

PROFILE SUMMARY

As a dedicated Full Stack Developer with expertise in MERN (MongoDB, Express, React, Node.js), I possess a strong foundation in both frontend and back-end development. With a deep understanding of modern web development technologies and frameworks, I have successfully delivered scalable and efficient web applications that meet business needs. I am adept at working on both the client and server sides of an application, and I excel in problem-solving and collaboration. Whether it's building user-friendly interfaces or optimizing database performance, I am committed to delivering high-quality solutions and continually improving my skills in both front-end and back-end development.
